Aesthetician

- A. \$100.00 for each "aesthetician", as defined by Nevada Revised Statutes chapter 644. In addition to completing a regular application, each applicant for an aesthetician license shall present himself to the police department for fingerprinting and furnish the police or agency any other information necessary to conduct an investigation of such applicant's character and reputation. Fingerprint data will be used to conduct state and national criminal records checks. Upon receipt of the fingerprint data, the city police agency is authorized to transmit the fingerprint data to the Nevada department of public safety to conduct state criminal records checks. The Nevada department of public safety is authorized to exchange this fingerprint data with the federal bureau of investigation to conduct national criminal records checks. The results of the state and national criminal checks will be disseminated to the city police agency. Upon completion of the investigation, the police agency shall prepare and submit to the city council a report containing findings and a recommendation of approval or disapproval of the applicant. This provision is enacted pursuant to Nevada Revised Statutes 239B.0101(a) and public law 92-544.
- B. If it shall appear to the city council that the applicant is of such character and reputation that the issuance of an aesthetician's license to the applicant will not prejudice or be detrimental to the public safety or welfare, the council shall approve the application, and the licensing authority shall thereupon issue the license upon the payment of all required fees.
- C. A nonrefundable investigation and fingerprinting fee of \$145.00 shall be charged to each person required to complete an application.
- D. The licensee or principal of an aesthetician establishment shall maintain a register of all persons who at any time are employed or contracted as aestheticians and their city and state license numbers. Such register shall be made available upon request to representatives of the business licensing department or the Mesquite police department during regular business hours.
